

Casa de Modesto Receives Excellent Ratings

Casa de Modesto traditionally receives good marks on the inspections completed by the California Department of Public Health and the Federal government. CdM had no deficiencies at all in its most recent inspection. This is a significant accomplishment and our staff deserves to be congratulated.

CMS, the Federal agency that regulates participation in the Medicare and Medicaid programs, uses a five-star rating system in its Nursing Home Compare program. CdM currently enjoys the highest Five-Star Rating.

Our goal is to provide excellent care day in and day out. Our commitment is to do the right things in the right ways for our residents every day of the year.

S.H.A.R.E.S. Program

Casa de Modesto has the opportunity to join SaveMart Supermarket's S.H.A.R.E.S. program. Each member receives a card and when they shop at either SaveMart, Smart Foods, Food Maxx or Lucky's they simply swipe the card and earn 3% of every qualified purchase for Casa de Modesto. CdM will receive a quarterly check for the amount earned at the rate of up to 3%. There is no limit to the amount of people we can enroll. Each card is free and is available now at Casa de Modesto.

For more information or to order your card, please call (209) 529-4950.

Virginia Brown Retires

After 27 years, Virginia Brown, better known to those at Casa de Modesto Retirement Center as “Mama Brown”, officially retired, handing off her many hats. Virginia came to CdM in November 1983 as a CNA and transitioned to the Restorative Therapy Department in 1987.

As our restorative therapy aide, you could count on seeing Virginia share her expertise with residents and instructing them on the equipment in our exercise room. Virginia was our “go to” person for ordering specialized medical equipment. She was involved in the Care Planning process for the residents, the Employee Safety Committee and the President of the Sunshine Club. She could be found organizing employee potlucks and sign-ups for the annual skilled nursing resident Christmas party. When not occupied with all of her responsibilities, Mama Brown had some great stories to share and could always make us laugh.

Her job and love of people didn’t stop when she left work. Virginia raised a family, including one disabled child which required her day to begin about 2:00AM. We never heard her complain. She now has time to enjoy some of her favorite hobbies, like embroidering, shopping and cooking for others.

Enjoy yourself, Mama Brown. We will miss you.
